# You can make a difference!

The Advisory Council is a group of citizens dedicated to the enrichment of our community. Its support enables us to offer a variety of programs and services for people of all ages, abilities and backgrounds.

Our Advisory Council is always looking for new members. Meetings are held (on the third Thursday of every month at 7:00 pm) to talk about programs, policies, and financial issues. Citizen direction and participation are vital to our continued success. Advisory Council members also create scholarship opportunities through grant writing and other fundraising activities. If you'd like to get involved, please contact our staff at 684-7529.

Most classes, workshops, sports, special events, and facility rentals are funded through the Advisory Council rather than through Seattle Parks and Recreation. Revenues generated through program fees offset program costs to make Advisory Council activities self-sustaining. We rely heavily on program participation, donations, and contributions to buy, repair, maintain, and upgrade program equipment and supplies.

### Laurelhurst Community Center Renovation

December 3, 2005, Laurelhurst Community Center will close for renovation. The expansion project will include upgrades to the existing building as well as an additional two-story building connected to the west side of the current building. Park amenities such as the playground, tennis courts, and playfields will remain open to the public.

We're looking forward to the development of our new facility. The project's goal is to improve and expand Laurelhurst Community Center, and provide us with an enhanced space design to better serve our community, now and for years to come. The improved facility will include a new multipurpose room and kitchen, restroom facilities on the upper level, a large reception area with an open lobby, a fireplace social room, improved office space and pottery room and an activity room. Regularly-updated information about this project, including building and site plans, can be found online at: http://www.seattle.gov/parks/proparks/projects/laurelhurst.htm.

Many of our popular programs including some of our Youth Classes and Adult Fitness programs will be relocated to offsite locations during the renovation. Our operation of the Laurelhurst School Gym will continue. There will be a staff person present to answer questions/provide information. The gym operating hours during the community center closure have not yet been determined.

During December 2005 and January 2006, Laurelhurst Community Center will be available for rentals, since we are not offering classes in the center. The assistant coordinator will be temporarily located to the Magnuson Brig, building #406 during construction and can be reached at 684-7529. You will be able to register for classes by mail at the Laurelhurst Community Center address, on-line at www.Seattle.gov/parks or in person at Magnuson Community Center, Building #47, 7110 62nd Ave NE. The phone number for Magnuson Community Center is 684-7026.
